

Engineering Scholarship Program - Gulab Goodness

Introduction

Do you possess the passion and brains to become an engineer but worry about the expense of education? Luckily, you can offset the cost to some extent by applying for the Engineering Students Scholarship Program by Gulab Goodness. Students living in countries like USA, Canada, Australia and UK and of all backgrounds can apply for this scholarship and can take this chance to make their education more affordable.

About

A degree in engineering can offer you a high-paying job and can help you position in the country's technologically innovative industry. For this reason, we announce this engineering scholarship program that invites applications from students pursuing a full-time postgraduate or undergraduate course in the subject. It is open to students enrolled in accredited programs. Be it general engineering, mechanical engineering, civil engineering, or any other, all students can apply for it.

Benefits

- ◆ This scholarship specifically targets underrepresented groups to help them build a successful career in this field.
- ◆ It focuses on cost management and lets students gain some financial support to complete their education.
- ◆ Scholarship winners will receive certification and make a contribution toward engineering.
- ◆ There is no restriction on subject or university selection and students must show financial need.
- ◆ Winners will get a chance to interact with industry experts and gain further knowledge about the subject.

Eligibility Criteria

1. The applicant should have enrolled or planning to enroll for undergraduate or postgraduate engineering course (for, eg. B.E, B.Tech, M.E. M.Tech) with an accredited college/university.
2. The applicant should be at least 18 years of age while applying.
3. The applicant should have completed High School / Secondary School education.
4. The applicant should be a citizen or permanent resident of Australia, USA or Canada.
5. While applying, the applicant should have completed at least one term of college/university engineering course after
6. completing high school or secondary school education.
7. The students having a time gap between graduation and post graduation are not eligible.
College dropouts are not eligible.

How to Apply?

To apply for this engineering scholarship program, you need to submit a project relating to your course of study. For example, if you are pursuing your graduation in Mechanical Engineering, you need to submit an innovative idea relating to "Manually operated Eco-friendly Road and Floor Dust Cleaning Machine".

This project can be in the form of a thesis, video, or a project report which is a combination of text and images. You are supposed to send this project through email on andrea@gulabgoodness.com before 15th January of every year.

The winners would be announced on our website <https://www.gulabgoodness.com/> on 31st January of every year. Important Note: Please do not try to contact any other phone numbers or email on any other email id (besides andrea@gulabgoodness.com) in regards to this scholarship, as that may have a negative impact on your application.

Besides the project report mentioned above, you need to email us the below-mentioned details –

- | | |
|-------------------|--|
| ■ Name | ■ Name of the College/University |
| ■ Contact Details | ■ Name of the Course of Education Currently Enrolled or Planning to Enroll |
| ■ Address | ■ Student ID Number |

That is all we need from our end. We aim to ensure that the students acquire education in the field of their interest without any financial constraints.
