

Medical Scholarship Program - Gulab Goodness

Introduction

If you are enrolled in a medical school, you must be aware that completing medical education is quite expensive. The initial four years are just the beginning and if you are unable to get through finances in your undergraduate years, you will not be able to make it in the future. To offer some ease to students pursuing a medical course, Gulab Goodness announces its prestigious Medical Students Scholarship program.

About

This scholarship program supports and promotes healthcare experts for personal and professional growth. This program supports student that are currently positioned in the medical field and demonstrates potential for contributing to the medical practice. Students enrolled in a graduate or undergraduate degree program similar to medical practice can apply for it. It encourages underprivileged groups and aims to offer financial support for their education.

Benefits

- ◆ This scholarship announces winners on the basis of our guidelines.
- ◆ Students from any accredited university pursuing a full-time course in the field of medicine can apply for it.
- ◆ Winners can use the earned amount to support various expenses related to their education.
- ◆ The scholarship aims to support students so that they can become future leaders and contribute to the sector.

Eligibility Criteria

The applicant should:

1. Be 18 years or above.
2. Have enrolled or planning to enroll for a graduate or postgraduate course (MBBS, MD, MS, etc.) from an accredited college/institution/university.
3. Have completed high school / secondary school education.
4. Have completed at least one term of the medical course in college/university.
5. Be the citizen or permanent resident of UK, Australia, USA or Canada.
6. Not be a college dropout.
7. Not have a time gap between graduation and post graduation course.

Application Process

To apply for a medical scholarship program, you need to submit a case study which you have experienced and includes **“What are the Odds? Modeling the Chances of Getting an Autoimmune Disease”**.

This case study can be in the form of pdf or video, which includes content in the form of text and images.

You are supposed to email this case study on andrea@gulabgoodness.com before 15th January of every year.

Please note that your application may have a negative impact if you try to communicate through other phone numbers or email ids mentioned on our website.

Besides the above-mentioned case study, you also need to email us the below details:

- | | |
|-------------------|----------------------------------------------------------|
| ■ Name | ■ Student ID Number |
| ■ Contact Details | ■ Name of the College/University |
| ■ Address | ■ The Course of Education Enrolled or Planning to Enroll |

After receiving the details and case study from your end, our panel of judges would select the winners who would be notified through our website on 31st January of every year. The decision of the judges would be final, and no explanation would be given regarding that matter.

Terms & Conditions

Gulab Goodness reserves the right to verify the details submitted by the applicants like student ID number, the course of education, the name of the college/university, etc.

The winners would be chosen by the panel of judges from Gulab Goodness. The decision by the judges would be final and cannot be challenged.

By applying to this scholarship program, the winners have given right to publish their name and photographs on the website <https://www.gulabgoodness.com>

The scholarship amount \$5000 is every year reward.

Gulab Goodness can change the rules and regulations during the process of selection in the program except for the reward amount.

The winners are announced online on our website <https://www.gulabgoodness.com> and also informed through email by 31st January of every year.
